

# St. John's Choirs

## Youth Choir

St. John's Choirs are well-known in the greater Hartford community and beyond as a center of excellence in vocal training and repertoire for children ages 7-1/2 and up. The youth choristers receive a stipend to sing the soprano (treble) line every other Sunday, alongside volunteers and professionals on the other parts. The choir has a flexible performing schedule with the highest standards of musical expression within a safe, supportive, inspiring environment.

Affiliated with the Royal School of Church Music, the program focuses on a centuries-old tradition of music composed originally for children's voices alongside adults. The youth also sing on their own periodically and for special occasions. Included are a summer choir camp, choir festivals and collaborations, and the broadening

experience of travel. Rehearsals are on Wednesdays, and include a choir dinner twice per month.

## Adult Choir

The semi-professional Adult Choir sings every week and is open to experienced choral singers by audition. Inquiries from prospective singers are welcome at any time; no religious affiliation is necessary. Please visit our website for additional information at [www.sjparish.net](http://www.sjparish.net).

## Sundays at St. John's

Masterworks for choir and organ provide musical inspiration at our 10:30 a.m. worship service each Sunday.

With a broad choral repertoire from the oldest motets to modern and Gospel, the St. John's Youth and Adult choirs lift our hearts to God and lead our singing of the great hymns of the church.

## A bit of history...

Our expanded series of musical offerings to the Parish and wider community began in September 2011. The name of the series makes reference to our front doors, with their traditional color of welcome and sanctuary. The series has helped to establish St. John's as a destination for those seeking musical refreshment and excellence, drawing on the existing strengths of our choirs (and guest artists), architecture, organ, location, and Anglican heritage.
