Having recently welcomed live audiences back into the St. John's nave, we look forward with excitement to another year of music that celebrates the creativity and resilience that carried us through the past year, connects us to one another, and brings beauty and solace to our lives. **Music at the Red Door**, a nonprofit operating out of St. John's Episcopal Church, West Hartford, has established St. John's as a destination for diverse audiences seeking musical refreshment and excellence. It features guest artists and professional groups performing in a variety of musical styles, and draws on the existing strengths of the St. John's Choir, world-class Austin organ, and welcoming and inspiring space. All are welcome to our concerts, with no admission charge, although donations are always welcome. *We hope to see you at the Red Door often!*
